

## BKL- Pilot controller Forum

This seminar is a precursor event to the FAA's Runway Safety Action Team (RSAT) meeting scheduled for June 22. This seminar seeks to gather input on surface-based concerns and risks from the pilot perspective. This information will be brought to the RSAT meeting, for use in identifying and mitigating, surface movement risks present at the Burke Lakefront (BKL) airport.

**Directions:** Main Terminal, Room #164

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.
